

I am writing in regards to keeping the K-Love signal available in my area. It is an awesome service to our community by providing constant news updates, encouragement and insight to community issues.

I believe that losing this signal will greatly effect my family and community by losing the encouraging insights of the hosts of the program. In a time when we see so much negative in our nation it is an encouragement to my wife, my daughter and my friends in showing us that there are positive influences out there. As well as keeping us current with community and world news.
